# SERMON

# PROGRAMME

September to November 2015

*Our main focus this quarter is a four-week sermon series planned by our Evangelism and Outreach group based on the book 'The Art of Neighbouring'. With the commandment to love our neighbours at the heart of our programme this term, I've added two related themes around that. We'll look at how God takes the initiative with sermons under the title 'He first loved us'. And after 'The Art of Neighbouring' we'll finish the quarter focusing on the Greatest Commandment itself, the challenge to love God with everything that we are. We'll also be blessed this term by a visit on 22 November from Professor Alister McGrath in our first Highfield Lecture of the academic year. I hope you'll be inspired as we look at some really foundational issues together over the coming term.*
